

## To the teams participating in the Nepal Street Premier League T10

---

**22<sup>th</sup> February 2025**

Dear Team Operators,

Please find below the dug outs rules which need to be followed and complied with:

*The player “dug out” forms part of the Players and Match Officials area which is the subject of certain important guidelines.*

*A list of persons who may join the players from each team in their dug out will be attached to the dug out for each match. No-one whose name does not appear in this sheet may join the players in the dug-out at any time during any innings. For the sake of clarity, up to 6 Team officials may sit in the dug-out: being the coach, assistant coach, manager, trainer, physiotherapist and analyst. No person performing any other role may sit in the dug-out.*

*Your co-operation and understanding is appreciated.*

Regards,  
NSPL Team  
Management
